## ENGAGE AND EMPOWER YOUR MEMBERS

This full line of cardio equipment features an LED display focused on key workout metrics. The industry's first 'Bring Your Own Device'-solution, these versatile machines allow users to get on and begin exercising immediately or connect their smart device to experience an expansive world of engaging workouts.

# iFIT-ENABLED MACHINES

## ENGAGING CARDIO EXPERIENCE

Integrated, interactive, and engaging, this iFIT-enabled equipment gives users the opportunity to leverage their smart device to unlock the full potential of these powerful machines.

## THOUSANDS OF COACH-LED WORKOUTS

Access an expansive library of in-studio and global workouts led by expert fitness coaches from around the world. Search or sort by location, trainer, exercise type, workout duration, intensity, and more.

## WORLD-RENOWNED FITNESS COACHES

We've hand-selected 100+ Olympic champions, celebrities, physical therapists, marathoners, and location guides to be your iFIT coaches.

## IMMERSIVE TECHNOLOGY

Sync a smart device to the machine, select an engaging and motivational training, and allow your coach to remotely adjust the incline, decline, speed, and/or resistance to mirror the on-screen content – creating an immersive and engaging training experience.

## GOOGLE MAPS™

Run, walk, or bike anywhere in the world with Google Maps. Create a route, and iFIT will automatically adjust your machine to match your workout destination's terrain. Explore trendy neighborhoods or rediscover familiar ones.
